

Follow-up email template:

Dear *(name of person you met with)*,

Thank you for meeting with me to talk about *(name of the issue discussed, ie the Safe Step Act)*. This is an important issue for patients suffering from Crohn's disease and ulcerative colitis and I appreciate having the chance to share my story with you. *(Remind them in a few sentences about your story)*. I am counting on *(Sen./Rep. Jones)* to support this bill and I will continue to stay in touch with you to check on the actions they take. Is there any additional information I can provide to you on why this bill will make such a difference to families in our area?

Thank you for your time. I will stay in touch.
