

Share your Pie Day pictures and videos by March 4th!

It's as easy as pie...

1. Go to <https://marketingtools.crohnscolitisfoundation.org/>
2. **Do not log in** – instead, **scroll down** to “Drag & Drop your files here.”
3. Drag and drop in your pictures and videos
4. Enter IBDIY@crohnscolitisfoundation.org as the recipient's email, then enter your own email address. Last but not least, please include your name in “message for recipient” as well as the names of anyone else in the photos or videos. Anything else we should know – please include it in the message too!
5. Enter the security text at the bottom and **click “send files.”**

The image shows a two-part screenshot of the Crohn's & Colitis Foundation file upload interface. The left part shows the login options, and the right part shows the file upload and security check steps. Green arrows point to the 'Drag & Drop your files here' area on the left and the security check area on the right.
