

Do It Yourself (DIY): Tributes and Memorial Pages

We are honored you have chosen the Crohn's & Colitis Foundation as the beneficiary of your loved one's tribute.

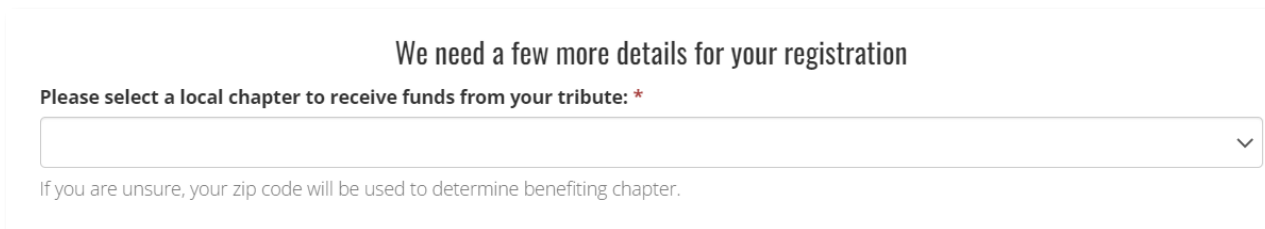

The first step is to visit our [Tributes page, here](#), and **"Sign Up"** for an account. An account allows you to track donations and send thank-you messages if you wish.

A pop-up window will appear and give you options on how you want to sign up – through social media (Facebook, Google, or Twitter) or by using your email (if you use your email then you will also input your password at that time).

During Sign Up, you will be asked to select your local chapter to receive funds from the tribute.

Once Sign Up is complete you may choose which type of page you would like to create, "memorial" or "in honor of", from the dropdown menu.

From here you'll have the opportunity to add details about your loved one including a picture, date of significance, what made them smile, what you love about them, and a picture if you wish. Once you're finished adding details, click the blue save button at the bottom.

CREATE A PAGE IN MEMORY OF SOMEONE
