

ProposalCentral Guide Find Award Program

Step 1 →

Log in to your ProposalCentral account. You should be starting from your home screen, pictured to the right.

The screenshot shows the ProposalCentral website interface. At the top, the 'proposalcentral' logo is on the left, and 'Membership | Help ▾ | Wyborski, Ana - Logout' is on the right. Below the logo is a navigation bar with buttons for 'Home', 'Proposals', 'Awards', 'Professional Profile', 'Institution Profile', 'Grant Opportunities', and 'Other Opportunities'. Underneath this is a sub-navigation bar with 'My Profile' (highlighted in blue), 'Other Profiles', 'Add Profile', 'Combine Profiles', and 'Create or Connect your ORCID ID ?'. The main content area is titled 'Contents of Professional Profile' with a 'Help' button. It lists several sections: 1. Institution & Contact Info (with an 'Add Institution' button), 2. Degrees, 3. Research Interests (with a 'General Interests' input field), 4. Personal Data for Applications, 5. Biosketch, 6. Other Support, and 7. Publications. Two informational banners are present: a yellow one stating 'You do not have a primary institution. Primary Institution is required, please click here to add one.' and a blue one stating 'You haven't connected to ORCID. Click here to Create or Connect your ORCID ID'.

Step 2 →

Navigate to the top of the screen where there are tabbed sections. Select “Grant Opportunities.”

Step 3 →

Once you've clicked on the "Grant Applications" tab, you will be taken to a screen showing all available award programs in the Proposal Central system.

The screenshot displays the 'Grant Opportunities' section of the Crohn's & Colitis Foundation website. At the top, there is a navigation bar with tabs for Home, Proposals, Awards, Professional Profile, Institution Profile, Grant Opportunities (selected), and Other Opportunities. Below the navigation bar, the text 'Total: 278 Opportunities' is shown, along with a 'Filter by Grant Maker' dropdown and a 'Sign up for Other Funding Search' button. A search bar is located on the right side. The main content is a table with columns for Grant Maker, Programs (Click for Guidelines), LOI Deadline, Proposal Deadline, Contact Information, Apply, and FAQ. The table lists several grant programs, including the 2024 Merkin Prize, Consortium Grant, Independent Investigator Grant, Postdoctoral and Clinical Research Fellow Grant, Single Ventricle Research Fund, Innovation Award, Crazy 8, and In-Cycle Opportunities. Each row includes an 'Apply Now' button.
