Crohn’s & Colitis Foundation’s GI Tract Guide

Dear @Name@,

Your healthcare team has discussed inflammatory bowel disease (IBD) with you. One resource that can help you learn more about your digestive tract is **the Crohn’s & Colitis Foundation’s GI Tract Guide.**

The GI Tract Guide is an interactive tool that provides an inside view into the digestive tract and provides detailed information on how your organs can be impacted by Crohn’s disease or ulcerative colitis.

Explore the tool at crohnscolitisfoundation.org/patientsandcaregivers/what-is-ibd/newly-diagnosed/gitractguide
