

Elevate your practice.
Be recognized through **Partners in IBD Care.**

INVITATION TO APPLY

Your practice's commitment to quality IBD care deserves to be recognized. The Crohn's & Colitis Foundation's newly-launched **Partners in IBD Care** program celebrates small and mid-sized practices that meet established standards for timely access, evidence-based treatment, and patient-centered support.

PROGRAM BENEFITS

- **Practice listed in the Foundation's Find a Medical Expert online directory**, including a new badge of recognition
- **National and local recognition** through Foundation communications
- **Official badge and certificate** for practice in-office display
- **Ready-to-use social media assets** and promotional messaging
- **Opportunity to attract new patient referrals** from the Foundation

QUALIFYING CRITERIA

- New patients seen **within 30 days**
- Accepts **Medicaid and Medicare**
- Offers **telehealth appointments**
- Follows **current clinical guidelines**
- **Discusses treatment goals** at initial visit
- Offers **non-invasive diagnostic activity monitoring**
- **Refers patients** to the Foundation and clinical trials
- At least **one healthcare professional is a Foundation Professional Member**
